

Welcome

The Garden Club of Mount Prospect is an active civic organization promoting horticulture, beautification and conservation. It is solely sustained by its member volunteers.

Meetings, with informative programs, are on the second Tuesday of every month, September through June.

Each member co-hosts refreshments one meeting a year.

Members participate in occasional fundraising raffles, plant and seed exchanges and share gardening expertise.

Members are involved in a variety of community projects, such as the Moehling Park Arlene Prchal Butterfly Garden and the Mount Prospect Historical Society Gardens. The Spring Luncheon and Raffle, held in May, is the club's major fundraiser. Each member helps in some way to make it a special event. There is also a public plant sale in May.

New member dues are as follows:

\$25 if joining July 1 through December 31.

\$15 if joining January 1 through March 31.

\$25 if joining April 1 through June 30. (This is a complimentary membership for the remainder of the spring and applied to next year's dues.)
